

I Can't Argue With My Heart (Daniel Goguen)

As I lie here beside her
Thoughts run through my head
How will I tell her
That I love someone else
There ain't no right words
No right way to explain
I'll just have to tell her
How I feel so ashamed

And I'll say...

Darlin' you know I love you
And I never thought I'd ever let you go
Darlin' believe me I've tried
Everything I could
To keep us from falling apart
In my mind I know it's wrong
But I can't argue with my heart

She'll probably hate me
And never forgive me
But I can't live with a lie
And just let it be
Now my heart is breaking
As she walks away
And I'll curse myself
That I made her face this day

When I said...
